ROYALTY

Mr. & Ms. DHS

Through the student life at Davis High School, we are finding out that we must accept ourselves as normal, but unique persons. Pretending to be someone else is a role for actors and actresses; we would only fool ourselves by acting out that role. Many people may reject us for what we aren't, rather than accepting us for what we are. But to discover the true person is to find life. At Davis we've learned to share, think, understand, laugh, smile, cry, and love. Our dreams, hopes, and prayers are that the rest of our lives will be as meaningful as these past years have been.

SPORTS

Seniors of '79

Hard work and determination gave the Wolves an especially good year and an 8-4 record. Age and inexperience stopped the young team for a short time. After the mighty Wolves got rolling, they continued the winning tradition of Davis by clinching the District title and then advancing to the state playoffs. The season ended with the hard fought battle with the Fox Foxes.

RINGLING

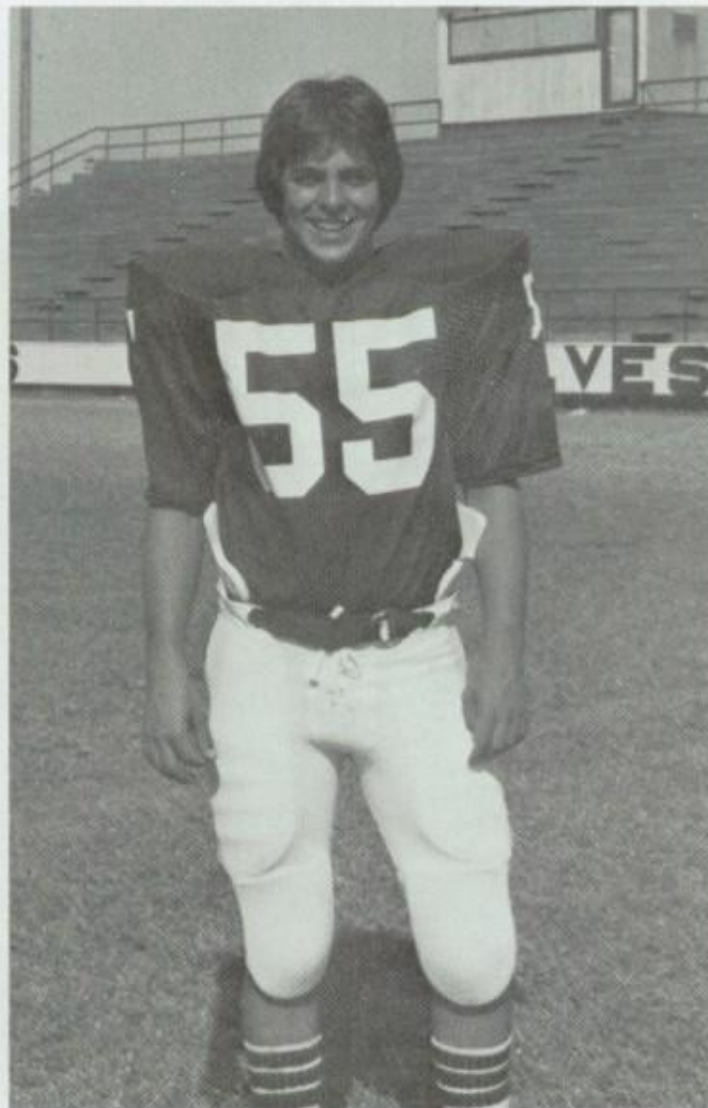

The Blue Devils took advantage of their size and four turnovers to dominate the first half with a 28-6 score. Although the future looked bleak, the young Wolves didn't quit. The Wolves took the upper hand in the second half by scoring 15 points. But the time ran out and the Wolves lost their first game by a heartbreaking score of 28-21.

SULPHUR

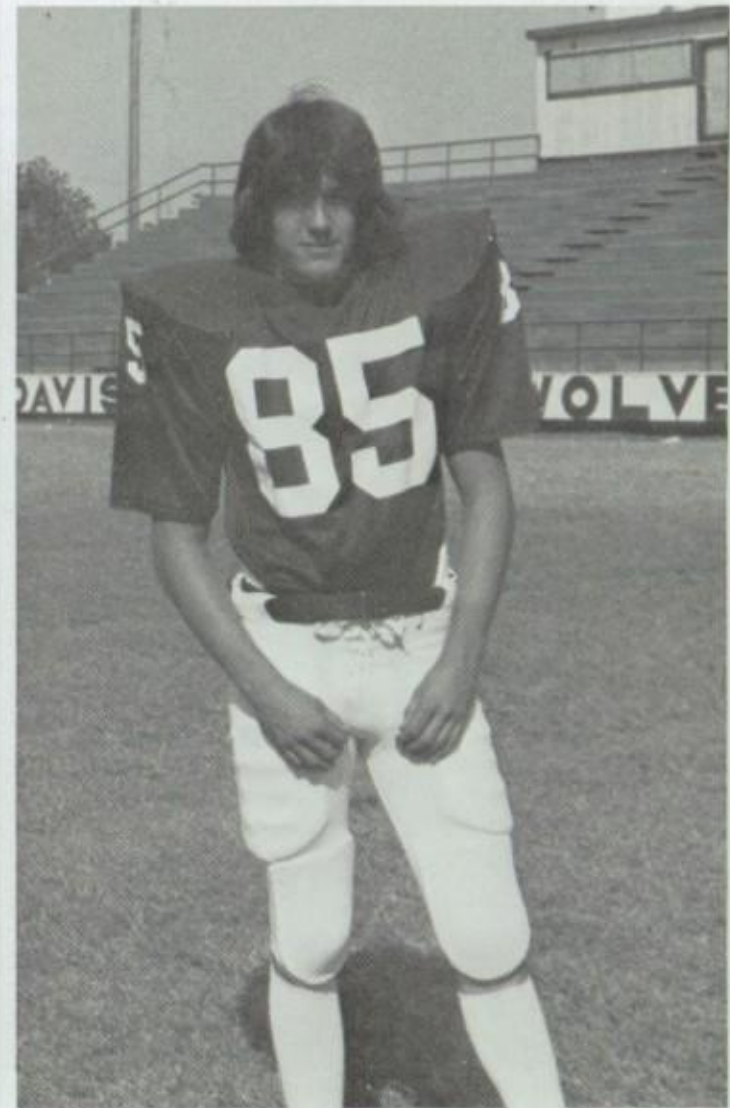

The Murray County rivalry was at hand. Neither team could move the ball during the first half, which ended with a score of 0-0. Sulphur managed to score twice in the second half—once from a long drive and again after recovering a Davis fumble on the one-yard line. It was late in the fourth quarter when the Wolves came alive to score their only touchdown of the night. It was an 11 yard pass from David to Aaron Bruner, to make the score 13-6. Sulphur then scored on an on-side kick to win the hard fought struggle 19-6.

TISHOMINGO

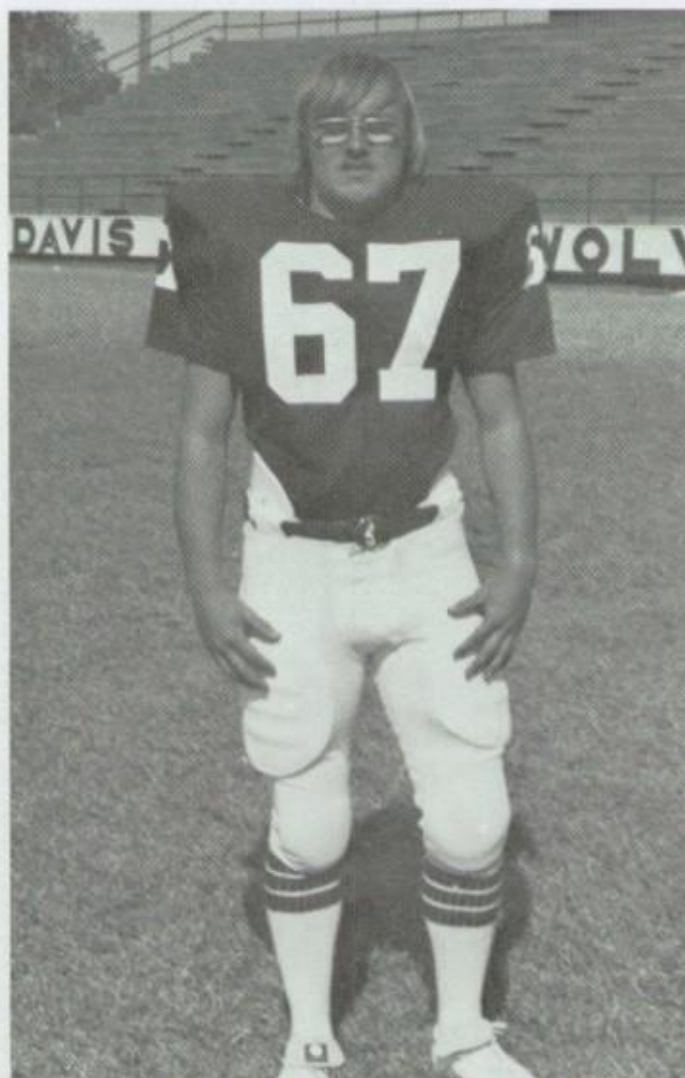

The determination of the Wolves finally overcame their inexperience. The Wolves stunned the Indians with 3 surprising plays—a 54-yard bomb from David Bruner to Chris Edgmon, and 2 astonishing 54 and 63 yard runs by Aaron Bruner and Johnny Holland, respectively. Tishomingo had been scalped by a score of 23-6.

WYNNEWOOD

The old saying "Wynne-wood if Wynne-could, but Wynne-cain't so Wynne-ain't" was true again. The tough Wolf defense held the Savages to only 6 points throughout the night. The Davis defense set up two scoring drives when Brian Healey and Travis Hickey each recovered Savage fumbles, thus giving the Wolf offense easy scoring opportunities in the first half. The second half had only one touchdown, a 25-yard pass from David to Aaron Bruner. The defensive battle ended 17-6.

WAYNE

HOMEcoming '78! The Wolves were pitted against the Wayne Bulldogs. It was the first conference game and the Wolves showed no mercy for the Bulldogs. The Wolves crushed Wayne's defense with 107 yards rushing and 239 yards passing. Trouncing the Bulldogs 42-0, the Wolves put themselves at the top of their conference with their first conference win.

PLAINVIEW

The agony of defeat! It was a night of frustration for the mighty Wolves. The first half ended 0-0; the ball was only being moved by punts and fumbles. The Wolves lost their starting quarterback, David Bruner. Although Bob Dulaney took up the slack when he replaced David in the second half, it was not enough to keep the Plainview Indians from scoring two touchdowns and ending the frustrating night for the Wolves and their fans by a score of 14-0.

Wolves on the Prowl!

Season Summary

ELMORE CITY

The Davis fans didn't quit cheering after the last tough defeat and the Wolves didn't give up. The tough Wolf defense took their anger out on the Badgers by holding them to only 9 total yards offense in the first half. They gave Elmore only 8 points throughout the night. Meanwhile, the Wolf offense turned the power on scoring 41 total points and raising their District record to 2-0.

MAYSVILLE

It seemed to be a replay of the Elmore City game. The fierce Wolves surrounded the Warriors, holding them scoreless until the last 7 minutes of the game. While Maysville was stunned, the Wolf offense rolled up another 41 points to end the game 41-12 and raise the District record to 3-0.

STRATFORD

District Title Clinched! In this defensive game, the Wolves came out on top by stalling time and holding Stratford to only 20 yards and 11 points. While the Wolf defense stalled the Bulldogs, the offense tagged 22 points on the scoreboard. This left the Bulldogs time enough only to be confused and to watch the last seconds tick off the clock.

MARIETTA

In the last game of the regular season, the mighty Wolves showed that they had become a winning team by ending the first half with a score of 33-0. The Indians finally managed to score in the 4th quarter, and the game ended at 33-14. The Wolves had now moved into the state playoffs and clinched another district title with a record of 5-0.

MINCO

The first game of the playoffs proved to be a tough one for the Wolves. The Minco Bulldogs dominated the first half, ending it 7-0 in their favor. The second half belonged to the Wolf defense, who did not allow the Bulldogs to score through the rest of the night. Davis got on the scoreboard when fullback Jarry Lampkin tied the game at 7-7, leading into overtime. When the chips were down, the Wolves came through with two big plays—a touchdown by Travis Hickey and an intercepted pass by Aaron Bruner which ended the game at 14-7.

FOX

It was a heartbreaking game for the whole town of Davis. Fox, ranked No. 2 in regular season polls and picked to run away with the game, did nothing of the sort. The Wolves out first-downed, out-passed, and out-total offensed the Foxes, but wound up on the losing end of a 28-17 score and were eliminated from the Class B State Playoffs.

For the fourth straight year, the Wolves of Davis had felt the "Thrill of Victory and the Agony of Defeat."

TURNER FALLS PARK

"In The Heart Of The Arbuckle Mountains"

Turner Falls Park, the oldest park in Oklahoma, has received national publicity and has served as a classroom for the naturalist. Many springs from the world famous Arbuckle Mountains form Honey Creek which cascades down a seventy-seven (77) foot fall to a natural swimming pool making the majestic Turner Falls the largest waterfall in Oklahoma. The park is accented with beautiful picnic areas, nature trails, caves, geological wonders, and two natural swimming pools very unique in nature.

The Turner Falls area has been described as one of three geological windows into our past, including Grand Canyon and the Black Hills of South Dakota.

As early as 1868 Turner Falls was known as a popular recreational area. The City of Davis operates the park and you are welcome to enjoy the 720 acres of fun in the "Heart of the Arbuckle Mountains".

When you visit the Turner Falls area you are exploring the natural wonder of Oklahoma. Some describe it as a diamond in the rough, while others describe it as the "Gem of the Arbuckles".

Camping is available for those who wish to experience a closeness to one of God's greatest gifts to nature.

Plans are never ending at Turner Falls with the Planning Board working to develop even more attractions which the Turner Falls area has to offer.

Visit Turner Falls Park and experience the hospitality of Fun Country, Oklahoma. The whole family will appreciate the clean and safe outdoor fun the park has to offer. The twenty-four (24) hour security ensures a safe and enjoyable time.
